

REMARKS

Claims 22, 25, and 30-33 are pending. Claims 1-21, 23-24, and 26-29 are canceled. Claims 31-33 are added and find support in previously filed claim 22 and the specification. Thus, no new matter has been added. Applicant notes that all cancelations and additions are made without prejudice or disclaimer. Applicant expressly reserves the right to file additional claims in further applications, whether such claims have been previously canceled, withdrawn, or are newly presented.

The advisory action mailed August 4, 2008 (Advisory Action), deemed claims 22, 25, and 30 allowable. Non-allowed claims 9-14 and 26 as well as objected claims 28 and 29 are canceled herein. Newly presented claims 31-33 recite the SEQ ID NOs of allowed claim 22 in independent format and thus are similarly allowable. The rejections and objections presented in the Advisory Action are thus mooted and the claims are in form for allowance.

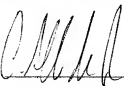

CONCLUSION

For at least the reasons discussed above, Applicant respectfully requests reconsideration of the rejections of the claims. Applicant believes that these claims define over the prior art of record and are in proper form for allowance. If the undersigned can be of assistance to the Examiner regarding any of the above, please contact the undersigned at the number set forth below.

It is not believed that any additional fees are due; however, in the event that an additional fee is required for this response, the Commissioner is hereby authorized to charge such fees to Deposit Account No: 50-0436.
